Subject: Reference letter

Mr. Daniel Székely worked in the Weber factory in Ljubljana in August 2010.

His task was to work in the production of wet decorative coatings under the supervision of the production leader.

His main tasks were: filling of the raw materials, supervising mixing of the products, filling of the buckets with the finished products and labelling of the buckets. He has completed the tasks given to him in a satisfactory way.

Pavel Marđonović
Managing director

A handwritten signature in blue ink, appearing to read 'P. Marđonović', is written over the printed name and title.
