TOPICS

- ✓ Can we see the new world clearly yet? What phenomena will shape the property market of the future most?
- ✓ Will "green" money dominate the market? Who is buying and who is financing?
- ✓ Are new projects coming? What plans have been shelved for several years?
- ✓ How much will the office market change? – Home office, sublease, co-working, remote working, etc.
- ✓ Housing market: Will the momentum break, or is market growth far from ending?
- ✓ Business v. leisure tourism and the hotel market – Resurrection for one, extended coma for the other?
- ✓ Industry and logistics above all – How are the grand plans coming along?
- ✓ Construction industry v. development market – How much will soaring prices limit new projects?
- ✓ Can online and offline retail both win at the same time? How will everything change?
- ✓ Flash presentations in 7 minutes
- ✓ Marketing workshop – Changing tools in a changing world
- ✓ Healthcare? Education? Retirement homes? Dormitories? Data centres? What alternative directions are there?
- ✓ Future City and urban development – Will the coronavirus place these on new foundations as well?
