V4 Projects

Post-covid Recovery of Small Family Businesses in V4 Countries

Mendel University in Brno

- identifying possibilities of post-COVID recovery and adaptation processes of small family businesses
- Partial goals include deeper understanding and mapping of factors, an overview of the perception of government measures in V4 countries and the dissemination of results and recommendations for recovery and adaptation processes

V4 Projects

Child in a Kinship Care – Preparation and Further Support of the Families

Association PRIDE-CZ

- offering a comparison of approaches and workflows in different countries to enrich each other's practices, share experiences, and establishing long-term international cooperation.
- The project will allow comparison of the childcare system in partner's countries
