# Discussion groups in Czech Republic

group A: Mothers with children, 2 women, age around 40, university degree, live in the city, self-employed, 1 children, 2 children

group B: Women planning a family, woman around 30, university degree, business owner, live in the city

group C: Women 50+, single woman, university degree, self-employed, lives in the city

group D: Women living in the countryside, 1 woman, age around 40, university degree, business owner, a farm, 3 children

January 25th, 2022

! high impact of pandemic effect in all discussion groups

!! an enormous stressful situation for women caregivers

!!! profound impact on the psyche of children 🧐

- missing ordinary joy to look forward to  
- loneliness 🧑

+ strengthening the community  
+ strengthening the family 💞 💞 💞
