NOE in numbers

- -In Europe, 13% of families have 3 or more children (about 8.5 million families)
- -211 thousand large families live in Hungary, approx. 9% of them are NOE members (15 thousand families)
- -NOE has the largest number of member families among all of family organizations in Hungary,
- -700 thousand children are raised in large families, half of them younger than 15 years old, which is 22% of all Hungarian children.
- -450 children were born to NOE member families in the past year
- -we have 250 member organizations of NOE in the country
- -more than 2000 volunteers help us with our work
- -the large family card offers nearly 4,000 discounted options
- -our member associations organize 70-80 different programs in the country each year
- -our members were able to attend nearly 500 cultural events for free
- -the number of our legal aid applicants at our NOE-FON service ranges from 1000 to 1500
